# EXPOSITORY WORKSHOPS

Students will develop expository writing skills while working through the steps in the writing process. Each week's workshop will focus on a different writing concept critical to expository writing individualized to the students' levels and needs.

Students should be physically able to write the required length for the class (paragraph/essay.) A laptop may be brought and used for writing assignments.

---

## ABOUT REBECCA

Rebecca Cumbie is a 20+ year certified educator who has worked exclusively with homeschool students and parents as a Home Education Specialist for the past 12 years. Previously she taught 4th-grade composition in inner-city Duval County Public Schools for 8 years and was trained in K-12 home education while working for a charter school in California. She has been a homeschool mom herself for 14 years.
